## Description

Aleddra's Slim Lowbay Canopy Luminaire is an energy efficient and cost-effective replacement for an existing traditional lowbay canopy luminaire. It's built with top of the line LEDs and the reputable Meanwell driver, which means, fewer maintenance costs.

Its IP65 rating makes it ideal for wet locations. The Slim Lowbay Canopy Luminaire is UL certified and DLC qualified for utility rebate. It comes with a 5-year warranty and rated life up to 50,000 hours.

The application is ideal for parking garage or low-ceiling canopy lighting applications.

Option A: Surface Mount

Option B: Pole Mount

Option C: Base-plate mount
