

ProLine®

Every Contractor Deserves a
Fast, Reliable & Trusted Lighting Partner

GE current
a Daintree company

Why ProLine®

Readily Available

Tight project deadlines can now be met with our line of products specifically geared towards servicing contractor needs and exceeding requirements defined by builders and architects.

Contractor Grade Products

We selected products that met the fast-paced needs of our contractors without compromising on Current's quality and safety standards.

Trusted Performance

Founded on a reputation of quality and excellence that dates back to Edison's first electric lightbulb, Current builds upon an unsurpassed expertise and trusted performance.

*Please refer to the DLC QPL & Energy Star websites for the latest and most complete information.
