Technical Specifications

Performance

Description:

The ceiling backbox is perfect for adding sensors or making splices to the GLED™ family of products. Surface mounts over any shape box and covers unsightly stains or gaps. Five (1/2") conduit entries enable wiring directly from the back or through the sides using surface conduit.

Compliance

UL Listed:

Suitable for wet locations. Covered Ceiling Mount Only. When used with RAB GLED fixtures.

Construction

Housing:

Precision die-cast aluminum

Mounting:

Attaches securely to GLED with tool-less slide lock mechanism. Surface mounts on ceiling.

Plugs:

Die cast aluminum with clean threads and gasket for weatherproof seal

Gaskets:

High-temperature silicone

Finish:

Formulated for high durability and long-lasting color

Electrical

Wiring:

Five holes. One on the back of the box, four on the sides for using surface conduit.

Other

Buy American Act Compliance:

RAB values USA manufacturing! Upon request, RAB may be able to manufacture this product to be compliant with the Buy American Act (BAA). Please contact customer service to request a quote for the product to be made BAA compliant.
