

Generator Statement of CESQG Status

I, _____, certify that I am currently knowledgeable of the hazardous waste regulations as they pertain to my business and certify that the hazardous waste(s) being shipped was/were generated by a conditionally exempt small quantity generator (also referred to as a very small quantity generator in some states) of hazardous waste. A copy of this and all associated documents will be kept in the business files at the place of hazardous waste generation for regulatory review for a minimum of three (3) years from this date.
