

# CT6

## CR6 Trim Accessory

### Product Description

CT6 trim accessories are designed for easy snap-in attachment to CR6 downlights, providing a clean aperture appearance that decreases high angle brightness with minimal effect on lumen output. With a variety of colored finishes to choose from, the CT6 is a spec grade solution that compliments a variety of interior designs.

### Product Specifications

#### CONSTRUCTION & MATERIAL

- Lightweight injection molded trim designed for easy snap-in available in a variety of finishes. Reference back page for finish options
- Models A, AW, and AB feature a diffuse anodized reflector (no flange)
- BB model is made of a specialized ABS thermoplastic material with flat black reflector and flange
